

**Viennese Tuning**  
**Harmonics Chart**  
 Treble Clef Notation  
 4 String Setup

Open Strings

**Positions:** This chart uses the consecutive numbering of positions, starting with the first position at the half step above the open string.  
**Please Note:** the vertical distances between harmonics are not accurately represented. Use the position numbers for the orientation.

Octave Harmonics

Two Octaves above the open string

The End of the Fingerboard

Three Octaves above the open string
